Travel Consent Form

It is good practice for all students under the age of 18 to carry this consent to travel form and to present it to UK Border Officers upon arrival in UK. Please complete this form in full and give it to your child before they travel to UK. Please tell your child that they must present this form to the immigration officer, together with their passport, when they arrive at the immigration desk. They should also present their confirmation and visa letter. EU students need only present their confirmation.
